- 1.1 The Designated Market Maker (“DMM”) scheme (“DMM Scheme”) is intended to encourage liquidity in DGCX FX Rolling Contracts (“the Contracts”) by inviting DMMs to provide competitive two-way price quotes at, or better than, defined volumes and depths in the DGCX (Exchange) order book. The DMM Scheme is open to all existing Broker and Trade Members as well as all Clients holding accounts with a Broker Clearing Member. Capitalised terms used in this Notice shall, unless otherwise stated, have the meaning attributed to those terms in the DGCX By-Laws.

 - 2.1.3.2 a fixed monthly stipend for the obligations provided;
 - 2.1.3.3 a monthly stipend consisting of a fixed and variable stipend component with the variable stipend contingent on volumes of the DMM in the Contract; and/or

publicity must expressly state this in their DMM application form, a copy of which is provided in Appendix II (DMM Tender Application).

3. DMM Obligations

- 3.1 Applicants should state in their DMM Tender Application, the contract(s) in which they wish to act as a DMM and the obligations that they would be prepared to meet.
- 3.2 Applicants and their respective Clearing Members must ensure that they have sufficient clearing commitment deposited with the Dubai Commodities Clearing Corporation DMCC (DCCC) to fulfill their DMM obligations at all times.
- 3.3 First time DMM applicants must successfully test to DGCX's satisfaction, their Market Making capability, including their Clearing Member's approval and infrastructure to support Market Making. Such testing must be completed at least two weeks prior to the applicant signing a DMM Contract (as defined in clause 4.9 below). All costs associated with DMM testing, connectivity and initial set-up are to be borne by the DMM. During the testing period the DMM will receive benefits as outlined in clause 2 above.

4. Application Process

- 4.1 All applicants with appropriate trading rights and clearing arrangements are eligible to apply for DMM status. Applicants should submit a completed DMM Tender Application by close of business on 15 May 2020.
- 4.2 Non-Clearing Members may apply to become a DMM but must provide confirmation that their Clearing Member agrees to the application. Where a DMM requires co-location, a co-location agreement must be signed by the Broker Member.
- 4.3 All applicants are expected to carry out their Market Making commitments with effect from 6 July 2020.
- 4.4 Applicants must clearly state in their DMM Tender Application the following information:
 - 4.4.1 the Contracts in which they wish to participate as a DMM;

- 4.8 DGCX shall appoint, at its absolute discretion, as many DMMs as it deems appropriate with the objective of providing the maximum benefit to the market whilst ensuring the effective operation of the DMM Scheme.

Members who have made successful applications will receive from DGCX a DMM Contract for execution.
- 4.10 The DMM will be required to meet its market making obligations in full. Should circumstances arise which prevent, inhibit or hinder this, the DMM shall notify DGCX immediately
- 4.11 Should a DMM materially fail to meet their obligations DGCX may adopt any remedy deemed appropriate, including, but not limited to:
 - 4.11.1 terminating the DMM's participation in the DMM Scheme;
 - 4.11.2 reducing or removing any entitlements of the DMM; and
 - 4.11.3 where appropriate, re-charging in part or in full any benefits made available under the terms of the DMM Scheme.
- 4.12 DGCX may, at its absolute discretion, cease DMM support for a contract or change the parameters of the DMM obligations and compensation by giving a minimum of one month's notice to the DMM.
