Notice to Independent Software Vendors (ISVs)

**Subject: Revision of ISV Collocation Service Fees**

---

DGCX has revised the fees applicable to Independent Software Vendors (ISVs) who collocate their trading platform servers at the DGCX collocation facility. The changes detailed below will be effective on and from **Sunday, 1<sup>st</sup> November 2020**.

ISVs shall pay a minimum fee of \$500 per month that would cover one client using the ISV's trading platform to reach DGCX, plus \$500 per month for every additional client.

#### Revised Fees Schedule

Sr. No	Description	Current (USD)*	Revised (USD)*
1	Minimum Fee – Monthly	Nil	500
2	Per Client Fee after the 1 <sup>st</sup> client – Monthly	500	500

\*These fees do not include 5% VAT.

These changes will require the existing agreements between DGCX and each respective ISV to be amended, and DGCX shall shortly issue appropriate amendments prior to the effective date referred to above.

ISVs requiring further information with regard to this Notice should contact IT Support [it@dgcx.ae](mailto:it@dgcx.ae).
