Block trades facility (BTF) reporting and approval procedures

The procedures for reporting of Block trades by Members and subsequent approval by the Exchange are prescribed below.

1. Parties of the intended Block trade transaction shall negotiate the terms and conditions of Block trades including the price and quantity and submit a request in the prescribed format "**BT1 - Request for Approval of Block Trade Transaction**" to the Exchange through their respective Trade/Broker Members.
2. Requests so submitted shall be in accordance with the guidelines prescribed in By-Laws of the Exchange and in particular shall adhere to sections pertaining to trading practices, handling client business, prohibited trading practices and related provisions.
3. Only Members who maintain at least \$500,000 (US\$ five hundred thousands) in the form of Clearing Commitment deposits with the DCCC shall be entitled to report such Block trades.
4. Additionally, the Member concerned should have adequate free deposits to cover margin liabilities arising post approval of such reported trade(s).
5. Block trades can be reported for quantities not less than prescribed quantities for respective class of futures contracts as communicated by the Exchange from time to time. For the purpose of this document, prescribed minimum quantities for Block trades shall be as follows:

Segment	Commodity	Prescribed Min. Quantities
Precious Metals	Gold	200 contracts
Precious Metals	Silver	200 contracts
Energy	Fuel Oil	200 contracts
Currencies	British Pound Sterling	200 contracts
Currencies	Euro	200 contracts
Currencies	Indian Rupee	200 contracts
Currencies	Japanese Yen	200 contracts
Base & Alloy Metals	Steel Rebar	50 contracts

6. Upon receipt of the Block trade request(s) from the Member in the prescribed format **BT-1**; the Exchange shall process such request(s) subject to following stipulations;
 - a. All such requests must be submitted to the Exchange before a cut-off time i.e. fifteen (15) minutes after Close of Trading on any Trading Day.
 - b. Notifications received after the cut-off time shall not be accepted; however the same request may be **re-presented** to the Exchange on the next Trading Day and shall be processed accordingly.
 - c. The Exchange may require submission of additional supporting documents to verify the validity and authenticity of the requested Block trade from any or both parties to the transaction prior to approval/rejection of the request.
 - d. On receipt of all documents, including additional supporting documents, if any, the Exchange will approve/reject the request.
 - e. All requests received during the day (i.e. before cut-off time) shall be approved/rejected on the same Trading Day.

Sub.: Guidelines for Reporting Block Trades

7. The price at which a Block trade is executed must be fair and reasonable in light of
 - (i) the size of the Block trade,
 - (ii) the prices quoted for transactions in the same class of contract on the Exchange at the time of reporting Block trade,
 - (iii) the prices quoted for transactions in other relevant markets, including but not limited to the underlying cash and futures markets, at the time of submission of request.
8. A Member shall not execute any order by means of a Block trade for a customer or aggregate customer orders unless such customer(s) has/have expressly approved execution of the same as a Block trade.
9. Members and Clients involved in the execution of Block trades must maintain complete record of the transaction in accordance with the Exchange By-Laws and DCCC rules.
10. The approval/rejection of the Block trade transaction shall be at the sole discretion of the Exchange. The Exchange shall not be bound to provide any reasons for the rejection of the proposed Block trade transaction submitted by the Member to the Exchange.
11. The volume of the Block trade transaction shall be updated in the Exchange records once the transaction is registered.
12. A message will be broadcasted for information of all participants on registration of the Block trades.
13. Execution of a Block trade will not trigger any stop-loss orders.
