

**Notice No.:** RISK-2016-037

**Issue Date:** October 26, 2016

**Subject:** Changes in the timings for generation of SPAN parameter file

---

Notice to all Members,

**Subject: Changes in the timings for generation of SPAN parameter file**

---

---

In pursuance of DCCC Clearing Rules, the following revisions are hereby notified:

DCCC currently generates SPAN parameter file 3 (three) times during a day at 0600 hours, 1500 hours and End-of-Day 2355 hours.

With effect from **Monday, November 7, 2016**, DCCC will introduce the following 2 (two) additional cycles for generation of Span Parameter file.

1. 1000 hours
2. 1800 hours

The above SPAN Parameter file shall be run over and above the current SPAN update timings and accordingly Span Parameter file will now be generated 5 times<sup>#</sup> during a day.

Members are requested to take note of the revisions above.
