

Notice No.: MKTG-2008-044

Issue Date: October 27, 2008

Subject: Invitation to apply for Designated Market Maker Status in the revised India Rupee Futures Contract

Notice to all Members,

Subject: Invitation to apply for Designated Market Maker Status in the revised Indian Rupee Futures Contract

In pursuance of DGCX By-laws and the Clearing Rules of the DCCC, the following is hereby notified:

Details of a Designated Market Maker (DMM) Scheme for the revised Indian Rupee Futures Contract are noted below, and DMM benchmarks obligations are provided in Annexure A.

The Indian Rupee DMM Scheme will run for an initial period of 6 months from November 3, 2008 to the Close of Trading on May 1, 2009.

Applicants should complete and submit the provided DMM Application Form by Close of Trading on October 31, 2008. The DMM Application Form is provided in Annexure B.

Members are requested to take note of the above.

Notice No.: MKTG-2008-044

Issue Date: October 27, 2008

Subject: Invitation to apply for Designated Market Maker Status in the revised India Rupee Futures Contract

Subject: DGCX India Rupee Futures Contracts Designated Market Maker Scheme Details

1. Introduction

This Designated Market Maker (DMM) Scheme is intended to encourage liquidity in the Indian Rupee (INR) Futures Contract, by inviting DMMs to provide competitive two-way prices and volume quotes.

The DMM Scheme is open to all existing Broker and Trade Members and also to all Clients that hold accounts with a Broker Clearing Member.

2. Benefits for DMMs

2.1. Subject to fulfillment of the obligation as per clause 3 below, each DMM will receive:

- 2.1.1. A Waiver on Exchange transaction fees only for DMM transactions in the DGCX Indian Rupee Futures Contract in which they are acting as a DMM. ESCA regulatory fees of \$0.02 per contract per side that apply to DGCX contracts shall be passed on by DGCX, and will be incurred by the DMM.
- 2.1.2. A monthly stipend that reflects the DMM's costs of acting in a DMM capacity. A significant monthly stipend would be made available where a DMM can meet or better the benchmark obligations set out in Annexure 'A' below.

2.2. It is intended that the names of DMMs and the nature of their commitments will be promoted by the Exchange, and included on the DGCX website. Applicants not wishing their names to appear in such publicity should mention this on their application.

3. DMM Obligations

Applicants should state in their applications the obligations that they would be prepared to meet. Obligations are detailed in the attached Annexure 'A' below, which outlines the benchmarks that the Exchange would expect a DMM to fulfill; however, applicants may include obligations in their applications, which vary from the benchmarks detailed.

Where possible, applicants are encouraged to improve upon the obligations set out in the attached Annexure 'A'.

Subject: Invitation to apply for Designated Market Maker Status in the revised India Rupee Futures Contract

4. Application Process

4.1 All applicants with appropriate trading rights and clearing arrangements (see 1 – Introduction) are eligible to apply for DMM status. Applicants should submit a completed DMM Application Form (provided in Annexure B) by Close of Trading on October 31, 2008.

Members can apply to become a DMM in their own right. Where the Member is not a Clearing Member, the Member should only apply for DMM status with the agreement of the relevant Broker Clearing Member.

A Non-Member may undertake the market making activities; however, in such cases the performance of the DMM obligations remain the sole responsibility of the Broker Clearing Member and, as such, DMM applications must be submitted to the Exchange through, and with the full understanding, of the respective Broker Clearing Member.

4.2 The applicant should state (i) the products in which they wish to participate as a DMM; (ii) the obligations that they are prepared to meet for each contract; and (iii) the stipend payment that they wish to receive for performing the obligations.

Applications should also provide detailed supporting information with their application (which they feel would be relevant) including, but not limited to, the following:

- the number and experience of staff, both in terms of responsible persons and other staff, available to support the market making
- the trading system and support they will be using, and the likely message per second usage
- the level of risk capital available to support the market making commitment
- previous market making experience at either DGCX and/or other derivative exchanges

The Exchange reserves the right to introduce daily message allocation for Price Injection Models used by the DMM in fulfilling its obligations.

4.3 DMMs will be appointed through a competitive tender process. A Market Maker Review Panel, comprising DGCX executives, will evaluate the applications received for DMM status in the Contracts. The decision(s) taken by the Panel shall be final and will not be subject to external scrutiny.

The Exchange will appoint, at its absolute discretion, as many DMMs as it deems appropriate with the objective of providing the maximum benefit to the market whilst ensuring the effective operation of the DMM Scheme.

DMM appointments will be made on the basis of the liquidity that applicants propose to provide, the stipend they wish to charge, and the supporting information on their structure (as outlined in 4.2) and experience.

4.4 The appointment of a DMM will be subject to a binding contract between the DMM and the Exchange. A completed application form does not constitute such a contract. Members who have made successful applications will receive a formal contract for signature from the Exchange.

4.5 The DMM will be required to meet its obligations in full. Should circumstance arise which prevent this, the DMM will have to notify DGCX immediately that it is unable to fulfill its DMM obligations for a period of time, and advise DGCX what measures are being taken to rectify the situation. Failure to meet obligations will result in the stipend payment being adjusted accordingly. Continued DMM failure to fulfill obligations will result in the agreement being terminated by the Exchange and the DMM agreeing to forfeit all remaining stipend payments.
